

PRANJAL DWIVEDI

Python Full Stack Developer

pranjaldwivedi7765@gmail.com | [LinkedIn](#) | [GitHub](#)

PROFESSIONAL SUMMARY

Python Full Stack Developer skilled in Django, REST APIs, and SQL-based systems, with experience building and deploying complete CRUD applications end-to-end — from database modeling to responsive front-end interfaces. Combines full-stack web development with data analytics and machine learning fundamentals (NumPy, Pandas, Matplotlib) and strong Git/GitHub version control practices. Final-year Computer Engineering student (graduating 2026), seeking an entry-level Python/Django Developer role or internship-to-full-time opportunity.

TECHNICAL SKILLS

Languages: Python, HTML, CSS, JavaScript

Frameworks & Libraries: Django, Bootstrap, NumPy, Pandas, Matplotlib

Web Development: REST APIs, CRUD Operations, Django Admin, Django ORM

Databases: SQLite

Tools: Git, GitHub, VS Code

PROJECTS

AI Code Reviewer | [GitHub](#)

React, FastAPI, Groq API

- Built an AI-powered code review platform that analyzes source code across 5+ categories including bugs, security vulnerabilities, performance, and maintainability.
- Integrated in-browser code execution with live input/output support, allowing users to run and validate code directly on the platform without a local setup.
- Designed a FastAPI backend to handle AI analysis requests and a React frontend for an interactive review experience.

JanSahay — Government Schemes Discovery Platform | [GitHub](#)

Python, Django, HTML, CSS, SQLite, Git/GitHub

- Developed a Django-based web platform helping users discover government schemes across categories including education, health, employment, and agriculture.
- Designed a user-friendly interface for browsing scheme details, improving scheme discoverability for non-technical users.
- Structured the application with reusable templates and organized app-level routing to support scalability and future feature additions.

EDUCATION

Bachelor of Technology, Computer Engineering

Vindhya Institute of Technology & Science (RGPV), Satna, India

Python Full Stack Development

Naresh IT, Hyderabad, India

Python Programming

CRISP, Bhopal, India

ADDITIONAL INFORMATION

- Active GitHub contributor — github.com/pranjal3350
- Comfortable with version control workflows (branching, commits, pull requests) using Git and GitHub
- Open to entry-level/fresher roles and internships in Python, Django, and Full Stack Development
